# FAQ's

---

## **Can I have both the ceremony and reception here?**

Yes, we can accommodate for both your wedding ceremony and the reception.

## **Is the venue exclusive? Will there be any other events on my wedding day?**

Is it exclusive in that ours would be the only wedding/event even if you opted for just part of the garden. Dependent on numbers for your booking, if you have opted for just one level of the garden, pub customers would have use of the other levels.

## **What are the parking arrangements like?**

We have a car park opposite and on street parking. Plus we can often use a nearby field that is a 5 minute walk from the pub.

## **Do you have overnight accommodation? If no, what accommodation options are nearby?**

We don't have overnight accommodation, however we have a list of local B&B, Airbnb and hotels on our website.

## **How long can I hold a date for?**

Dates can be held for up to 14 days but after this, only held upon receipt of booking and deposit.

## **Do you have a wedding planner/coordinator?**

Yes. We pride ourselves in being able to arrange everything for you. We can organise everything from wedding stationery through to photography and catering.

## **When do you need to know the final number of guests for our wedding?**

We would need numbers approximately 6 weeks before. Changes after this time may be possible but can depend on what the changes are and lead times from our suppliers.

## **How long do we have to set up for our wedding?**

Access to the garden from 8am on the day of the wedding. Removal of your own decorations and personal items must be done at the end of the night, no later than 8am the following morning, so please ensure you have someone allocated to do this for you. We can arrange this for you for an additional fee, in which case anything left would need to be collected within 48 hours.

## **Are there any restrictions on décor?**

Most decorations are fine, apart from confetti (including eco/paper confetti or rose petals etc), glitter and things like small foil/plastic table decor (anything that could end up stuck in the grass and cause a hazard to wildlife or damage the environment) are not permitted. No fireworks, sparklers or similar are permitted at any time.

## **Can we bring children?**

Whilst the pub does not normally allow children under the age of 12, we can make exceptions to this for your immediate family, but please note we do not have high chairs or any facilities for children.

## **Does the venue have disabled access?**

The pub is built into the side of the hill and the only access is via the steps at the front. There are also a few more steps leading to the garden. Because of this, we have no disabled access to the premises and no disabled facilities.
